1. Pews should never be slid or pushed. They will break!
2. Separate pews and carry individually.
3. Arrange pews at an angle. Line up back legs of pews with black marks on floor.
4. When you finish putting pews in order, call the church office at 488-3654.
5. One of the church staff will check to see if pews have been arranged properly.
